

An expedition to the Arctic

Abstract

Tanojit was part of the Indian Arctic Expedition team to Ny-Ålesund, Norway during July-August of 2023. The expedition was coordinated by the National Centre for Polar and Ocean Research, Ministry of Earth Sciences, Government of India. In the talk, he will briefly share research goals and his field experience in and around Himadri, India's first permanent Arctic research station in the International Arctic Research base, Ny-Ålesund. He is part of a project selected under the theme Environmental Sciences for 2023-24.
