

INDIAN STATISTICAL INSTITUTE NORTH-EAST CENTRE, TEZPUR, ASSAM

7th Winter School in Mathematics for Postgraduate Students of North-East Region *January 08 - 12, 2024*

Call for Applications

Overview

This is the 7th edition of the Winter School on Mathematics organized by the Indian Statistical Institute, North-East Centre, Tezpur, Assam.

The first three editions were meant for undergraduate students, and the last three winter schools were organized for the postgraduate students of the north-eastern states.

Like previous years, it is envisaged that the winter school will help popularizing Mathematics and allied subjects as a career option. The event will provide the participants with an exposure to some concepts of higher-level Mathematics.

Who can apply?

Students pursuing master's degree in mathematics (first and second year) from universities/institutions located in the North-Eastern States of India are eligible to apply for participation.

Highlights

- Introduction to concepts of higher mathematics
- Lectures by eminent mathematicians
- Travel, food and accommodation support

How to apply?

Interested students can apply for participation by sending an email to Professor B. Ramakrishnan at head.nec@isine.ac.in. **Applicants must include a letter of nomination by the respective head of the department.** Last date of application is 30 November, 2023. **30 participants will be selected for participation.**
